

# The Pen.

A lovingly selected balance of independent growers, iconic houses and everything in between.

Behind each of the wines, there are stories of the people who made them.

The winemakers we have chosen to list work in harmony with the environment and make conscious decisions on all farming and winemaking practices. The list showcases wines from all over the world, and always with our ethos at heart – ‘the most important part of our jobs is that you, the guest, are delighted with what is in your glass’.

We openly encourage tasting together, lots of questions and showing you our fabulous selection.

*Head Sommelier* James Shaw  
*Assistant Sommelier* Valeriya Toteva
